### Licensure Areas Offered:

Secondary (9-12) & Middle Grades (6-9): Math, Science, Social Studies, English/ Language Arts,  
K-12: Special Education, Art, Music,

**Delivery Model:** Face to Face, Online, Blended

**Average Program Cost:** \$2000-\$3000

**Program Strengths:** NC TEACH is a cohort based alternative teacher preparation program for recent college graduates, mid-career professionals and retirees. NC TEACH at Western Carolina University is at the graduate level and opens the door for those who are ready for the challenge of teaching. Our courses fulfill a portion of the requirements for a Master of Arts in Teaching (MAT) allowing participants to work toward an advanced degree at the same time they're completing licensure coursework. Western is one of the original NC TEACH sites established in 2000. We're small enough to know you as a person, but large enough to ensure you'll receive the preparation essential for success in the classroom. NC TEACHERs receive support and encouragement online and onsite during those critical first years of teaching. WCU provides the NC TEACH II option for teachers interested in teaching in high-need areas.
